"A well-tended garden resplendent with hibiscus, tropical planting and bougainvillea awaits you at Eseline, coupled with magnificent sea views that look out towards the 'Iles de Lérins' lying off the coast in the sparkling Mediterranean sea below."

Eseline is perched on a hillside of the Estérel mountains within a gated estate of properties. Immaculately kept with traditional style furnishings and a nod to a nostalgic past, the principal rooms comprise two double bedrooms and a light, spacious living/dining room opening onto a spectacular terrace.

We're pretty sure that you'll spend most of your time on the sunny terrace, or around the oval shaped pool gazing at the sea view. However, don't miss the 15 minute walk down the hill to the beach of 'La Figueirette' where water sports equipment is available to hire, or drive the dramatic coastal road towards Saint-Raphaël for splendid viewpoints and pretty coves, some of which can be accessed by foot. For a more lively and bustling scene, head north towards Cannes (13km) with its famous sea front promenade 'La Croisette' and numerous designer boutiques and restaurants. Nice, with its old town and international airport, is a 50 minute drive.
