Part of a 3-villa complex sharing the gym, the property consists of a main house and a separate annex with private entrance and can accommodate up to 8 guests in its 4 spacious bedrooms. Outdoors, a harmonious combination of stone, white-washed walls, and wood, are typical of traditional Mykonian architecture and blend uniquely with the surrounding landscape. Outdoors, guests can swim in the shimmering waters of the private swimming pool, relax in the in-pool jacuzzi, sunbathe in one of the stylish lounge areas, or dine al fresco under the shaded dining area. The interiors perfectly capture the serenity and simplicity of laid-back island life, featuring coastal-inspired decor. The use of natural materials, like driftwood, stone, woven textures, and bamboo add a sense of earthiness and cosiness to the graceful space.

The property is located just 6.5 km from Mykonos' new port, and 4.2 km from Mykonos Town – one of the Greek isles most picture-perfect destinations. Ftelia Beach, which has the reputation of being a windsurfer's paradise, is only 2 km away. This chic Mykonos villa promises the experience of an ultimate luxury vacation in Greece.
