"A unique Mediterranean-style villa perched on a cliff top overlooking the picturesque coastal village of Praiano, near Amalfi and Positano - this luxury property boasts 2 heatable swimming pools and lush terraced gardens with stunning sea views!"

Once an aristocratic period residence this villa has been transformed into an elegant and refined villa comprising en suite bedrooms with sea views, each one equipped with all modern comforts. All this within the spectacular setting of the Tyrrhenian Sea and a lush Mediterranean atmosphere, just minutes away from the local shops, restaurants and beach.

Contemporary design and silk soft furnishing seamlessly blend with antiques and period furniture under high vaulted ceilings and hand-painted archways. The interior is light and airy, with whitewashed walls and cool ceramic floors throughout; the accommodation arranged over four floors has natural sunlight and sea breezes flowing through tall arched windows. Take a cooling dip in the outdoor pool and sunbathe on the terrace overlooking the sea, or pamper yourself with aromatherapy, chromo-therapy and hydro-massage in the softly-lit indoor spa pool.

This stunning property enjoys a unique situation between Amalfi and Positano, along one of Italy's finest coastlines. It is walking distance from the village of Praiano, its shops, amenities and beach, and it is also very conveniently located to explore the entire Amalfi coast, including Positano, Sorrento, Ravello, and Capri. This villa offers the ideal setting for an unforgettable family holiday.
