"In the area of Sol de Mallorca, on the island's south coast, lies this jewel of contemporary architecture: a spectacular 6-bedroom villa with a state-of-the-art pool, fully immersed in tropical and Mediterranean greenery".

This is a luxurious villa in a highly sought after location between glamorous marina Porto Portals and the big golf courses around Santa Ponsa, near Palma. This stretch of Mallorca's is renowned for its interesting food and shopping scene, many marinas, golf courses and beautiful beaches. The quiet residential area of Sol de Mallorca is only 15 minutes' drive from Palma. A small bay, Cala Bella Dona, is about 10 minutes' walk away.

Upon arrival at this property you will be impressed by the grand driveway, large courtyard with columns, palatial entrance portal. Behind is the six-meter-high entrance hall with a glass staircase. From there a 10-metre bridge leads to the upper floor; the private sleeping area, with master bedroom and second bedroom each with its spectacular en suite bathroom and terrace with sea views. Equally top-of-the-top is the large living area on the ground floor: 4 beautiful bedrooms, two of them en suite. The other two share a bathroom. Air conditioning and underfloor heating in every room. Light and airy, the interiors showcase precious materials such as walnut doors and marbles.
