Strikingly set by the imposing walls of Dubrovnik Old Town, at the eastern gate, this fascinating villa exudes timeless charm combining history with modern features such as a private swimming pool with waterfall, a hot tub and a sauna.

Originally built in the 18th century, this property affords a spectacular vista over the magnificent fortress Revelin - today a museum, concert venue and a popular Night Club. Garden terraces with sun loungers where you can relax and enjoy the beauty of a sunset, an outdoor pool with a waterfall, a large courtyard and a small panorama terrace are just a glimpse of what this amazing villa is offering. Through the main gate, you enter a plot that extends over 700 m2. A shaded stone courtyard with a dining table for eight and a lounge corner is ideal for al fresco dining. In the front courtyard's end is a small annex, comprising a gym, hot tub, sauna, and a bathroom.

Right next to the annex, up a few stairs, is one of the most appealing features of this delightful property: the intimate dining terrace, overlooking the fortress, the eastern tip of Lokrum, and the sparkling Adriatic Sea.

The accommodation spreads over two floors and comprises 4 bedrooms, 5 bathrooms, an outdoor pool, hot tub, sauna with a shower and a private gym. It is a perfect vacation villa in Dubrovnik for 8 guests. Set in an attractive location, offering an amazing view of the fortress, the old stone houses, the beautiful island, and the clear blue sea, this gorgeous villa is something special. If you want to experience this beauty for yourself, feel the whiff of history, or unwind only a few minutes from the Old Town of Dubrovnik, this is the place for you. Come and see for yourself!
