Villa Daria is the final of the three independent villas situated on a complex in Almirida. Daria enjoys a large private infinity pool with spectacular views of the sea towards Souda Bay and panoramic views of the White Mountains.

Villa Daria has wooden floors, rich fabrics and warm colours which provide the ideal environment for a selection of family-owned antique furniture pieces while glass-enclosed marble bathrooms add modern refinement.

Outside, a traditional wood fire BBQ placed under the lemon trees enhances the aromas for a romantic dining experience under the stars, where guests can overlook the private infinity pool and take in the mountain air.

The villas can be rented separately or together to accommodate larger parties.
