Guests can use the interior lift to move to the multiple spacious indoor and outdoor areas. All are elegantly furnished and decorated with warm, welcoming colors in order to make you feel at home. In the early mornings, you can choose to stay in the infinity salt pool or walk for a few minutes to the sandy beach with the turquoise waters. Later, guests can cook and taste some Greek traditional plates in one of the 2 fully equipped kitchens.

The BBQ is also a good idea, as a beautiful shaded dining area is waiting for the guests.
