

VILLA TAKISHA

GREECE | MYKONOS

3 Bedrooms

6 Guests

£5140 - £12510 / week

"Perched on a cliff overlooking the delightful Psarou beach and the Aegean Sea, this beautiful villa is in a superb location on the island of Mykonos."

Indeed, Villa Takisha is ideally located just 3km from the town of Mykonos and just 2 km from Platys Gialos beach, the famous Psarou beach and the legendary Nammos beach club.

Whitewashed, with blue windows and featuring ample use of stone, the villa's design is characteristic of Cycladic architecture.

Built-in arches and apses add character to the impeccably designed interiors. Exposed stone details and wooden ceilings complement the sparse rustic décor, while comfy couches, beds and soft fabrics create an ambience of cool comfort.

The exterior terraces are found on different levels (all beach-facing). A delightful infinity pool, surrounded by sun beds, is perfect for cooling off. Also, there is plenty of shade in the dining area under the pergola, while unwinding on the fabulous loungers enjoying the splendid vistas as the sun goes down, perhaps with a glass of local wine, is a very pleasant way to spend the evenings here.

On top of all that, Villa Takisha provides all the modern amenities as well as daily housekeeping to ensure you enjoy a carefree stay.
