**Set between dramatic cliffs and the amazing vista over the Tyrrhenian Sea, this stylish villa with pool is situated in an exclusive residential area of Positano close to Arienzo beach and ideally positioned to explore the enchanting Amalfi coast.**

This typical Mediterranean style villa with whitewashed walls and long sunny terraces overlooking the sea, exudes elegance and romantic charm throughout. Byzantine inspired features such as arches, vaults, niches and wrought iron details grace most rooms, each individually and tastefully furnished. Equipped with air conditioning in every room, this property is a cool villa even during the hottest summer days. Several romantic corners for relaxation have been created on the lawns of the terraced garden, among mature trees and Mediterranean shrubs. The swimming pool and separate Jacuzzi pool provide privacy within an absolutely enchanting landscape where you will be able to unwind and leave the hectic rhythm of daily life behind. Upon request, a cook will prepare delicious meals with local fresh food in the homely atmosphere of your villa.

For a refreshing dive in the blue waters of this stretch of coast, 270 steps will take you down to the local pebble beach of Arienzo and its typical lido. Within a mile from your villa is the splendid village of Positano with its renowned charming whitewashed houses, seafood restaurants and boutiques creating a striking contrast with the deep blue colour of the sea. From here there are hydrofoil and ferry services or private boats to hire for trips along the coast, the sea being the best point of view from which to fully appreciate this unique coastline, its fishing villages, its multimillionaire's villas hidden among the lush vegetation, its coves and inlets and coastal paths. A visit to Ravello, Sorrento and Amalfi is a must during your holiday in Southern Italy, as well as to Mount Vesuvio and the archaeological sites of Pompei and Ercolano.
