Set along the Ionic coast of Puglia with splendid panoramic views over the sea, this contemporary, newly refurbished 3-bedroom villa surrounded by a Mediterranean pine wood is the ideal base from which to explore one of Italy's most enchanting regions.

Porto Selvaggio nature park is nearby providing the ideal setting for a holiday fully immersed in the Salento natural landscape and for opportunities to hike or cycle. Bright and spacious, this villa boasts clean lines and a minimalist decor combined with pieces of art and furniture crafted out of local materials. All around, a typical Mediterranean pine wood provides a pleasant shade and privacy. Due to the nature of the terrain and lay out of the house with many steps this villa is not recommended for children under 12 years of age.
