This remarkable hillside property with breath-taking views over Pevero Bay in north Sardinia, is just a stone's throw from the renowned town square and marina of Porto Cervo, yet it provides a tranquil haven with extensive gardens and terraces as well as a Spa area and a spectacular lagoon-type pool on multiple levels.

This exceptionally luxurious property offers the best of both worlds – the opportunity to effortlessly immerse yourself in the jet-set lifestyle of Costa Smeralda, with an abundance of gourmet restaurants, luxury boutiques, bars, and beach clubs, or the chance to simply unwind on a poolside sunbed, enjoying stunning views over the crystal-clear waters of Sardinia. Guests arrive at the villa via a private drive, where they get their first glimpse of its unique design and architecture. Descending a few steps, you reach the ground floor, which consists of two wings linked by a spacious covered pergola and a terrace that wraps around the entire house.

The left wing features a bright, spacious living room that opens onto the dining room and overlooks a large sea-facing covered terrace. The well-equipped open kitchen, pantry, and a bathroom complete the living area. The right wing contains the luxurious master suite and three stylish guest bedrooms, all with en-suite shower rooms, sea views, and covered terraces. The master suite also includes its own hydro-massage tub and walk-in wardrobe. The lower floor, carved from Sardinian rock, overlooks the swimming pools and the garden. Internally, it is connected to the ground floor by a flight of stairs. This level comprises another two guest bedrooms that open directly into the garden, both with en-suite shower rooms and walk-in wardrobes. This floor also features a cinema room, a wine cellar, a bar, and a wellness area, which includes a gym, an outdoor Jacuzzi, two massage rooms, a bathroom, and a relaxation area.

Designed to meet the expectations of the most refined and demanding clients, this villa combines the highest standards of quality and comfort with the perfect blend of technology and charm. Its outstanding architecture, the wonderful sense of space and light, the stunning play of water in its range of swimming pools, the breath-taking panoramic views over Pevero Bay and the spacious solarium immersed in the Mediterranean garden are sources of endless amazement.
