"Nestled in a picturesque Tuscan village in the hills between Lucca and Camaiore, this old farmhouse has been sympathetically renovated to create a stylish and charming villa with private pool and spa, for a truly relaxing holiday in the idyllic Tuscan countryside, just a few minutes' drive from the Versilia coast".

Many of the original features of this 19th century farmhouse are still visible, such as hand crafted furniture, stone fireplaces and exposed beams. The relaxation room with hammam, sauna and large Jacuzzi offers a tranquil escape where guests can even treat themselves to a professional massage on request. Within walking distance is a good quality restaurant serving excellent local delicacies. The proximity to the Natural Park of the Apuane Alps means endless opportunities for outdoor pursuits. Forte dei Marmi, Lido di Camaiore, Viareggio are well known resorts along the splendid Versilia coast and offer an elegant seafront promenade, designer boutiques and pavement cafes', restaurants, nightlife and beachclubs. Lucca and Pisa are nearby and Florence is just an hour away from Lucca.
