Nestling at the heart of Tuscany's Chianti region, near the picturesque hilltop town of Castellina in Chianti, this renovated farmhouse with infinity pool affords sweeping views over the idyllic Tuscan countryside north of Siena.

This 4-bedroom family villa retains much of its original rural charm as revealed by the wooden beams, the stone fireplaces, the wooden ceilings, the terracotta floors and the arched doorways. The scenery all around is simply breathtaking, featuring rolling hills coated with olive trees, vineyards and cypresses, so typical of this region, as well as farms and quaint medieval villages.
