"Beautiful views, a short walk to the nearest restaurant and close to Lucca and Pisa, a perfect family villa."

Renovated in 2016, this property successfully mixes the old and new with exposed beams and original features, but with all of the amenities one could ask for in a holiday villa. Accommodation is on the top 2 floors of this imposing four-storey villa, offering spacious bedrooms and an open plan dining and living area, and a second family living room with piano for any music lovers. Without a doubt the highlight of this property is the large, well equipped terrace on the top floor. With panoramic views over the verdant hills and quaint village of Vorno, it also looks out on the private pool and garden below. Complete with dining table and chairs under the shade of a gazebo, and a sofa to relax on, this outdoor space is ideal for al fresco meals, or soaking up the rays of sun with a good book.

A short stroll from the property leads you to Vorno centre for local shops and a pizza restaurant, while a 10 minute drive to Lucca offers more opportunities for shopping and eating out. With some of Italy's most famous treasures such as Florence, Pisa, and the coast of Versilia within easy reach for day trips, this villa would make an excellent base for a really memorable holiday.
