"Set in the peaceful countryside on the edge of San Joan de Labritja, close to the renowned beach of Benirras in northern Ibiza, this striking contemporary villa with minimalist interiors boasts fabulous grounds with salt-water pool, Jacuzzi, outdoor cinema, orchards and even its own stable with horse!".

The indoors space seamlessly blends in with the natural surrounding thanks to fully retractable glass panels. In years gone by, the property was a working farm and the traditional irrigation system 'safareig' can still be seen. The villa is equipped with all modern luxury comforts to suit every member of your party whilst on holiday on the island of Ibiza. Children will be thrilled to find at the back of the house a little wooden play house with a sand pit, a wonderful space for them to play. Adjacent to the play area there is an outdoor cinema with a large seating area - connected to the smart TV, the cinema screen is projected onto the wall, great for family gatherings in the evenings. The accommodation is arranged over two floors and features 4 en suite bedrooms plus 4 service rooms, suitable for members of staff or young children.
