"Uniquely set on the Costa del Sol between Marbella and Fuengirola, with direct access to the beach, this magnificent residence provides a very private oasis complete with spa, 2 pools, 2 saunas, 2 hammam, gym, home cinema and tennis court for its exclusive clientele and offers uninterrupted views over the Mediterranean sea".

The villa is lavishly decorated and exudes opulence throughout, offering plenty of space for social gatherings indoors and in the beautifully landscaped grounds. Unlike many other villas in the built up areas of Marbella and Puerto Banus, this property is not overlooked by its neighbours, thanks to its lush gardens. The beach stretches for two kilometres without any parking, making it one of the most unspoiled on the coast.

Every bedroom in the house enjoys marvellous sea views and is flooded with sunlight, each with private terraces and sun beds. The villa facilities include indoor and outdoor heated swimming pools, Spa, 2 Saunas, 2 Turkish baths and massage room, gymnasium, home cinema, Jacuzzi, pool table and much more.

It is possible to walk to restaurants, bars and a small supermarket (over a small footbridge over the road).
