An elegant villa with great views, well equipped throughout. Walking distance from beach and restaurants.

Located in the peaceful countryside behind Estepona, Villa Lucia offers breathtaking views of the sea stretching towards Tangiers and Gibraltar. This modern and extremely stylish holiday villa with five bedrooms, air conditioning throughout, games room and beautiful pool is the perfect getaway for families or friends seeking relaxation and adventure.

The villa is 45 minutes from Malaga airport and is in a perfect spot for keen golfers and Marbella is only fifteen minutes away for shopping, restaurants and night life. One can walk to 'Bossa' cafe/restaurant for breakfast or lunch and a little further away is the 'Sonora beach club'. Water sports are available at the beach. The owners sometimes walk to Estepona (on a pedestrianised route) from the villa, although this is around 1 hour 15 mins to walk, so may be more comfortable by car or cycle. Note that the villa is on a slight hill, so walking down is easier than the walk back up - if guests prefer to drive, there is a large car park at the bottom of the road by the beach. Tennis / Padel and gym is 15 mins walk from the villa (Unicornracket.com). Days out further afield might include a visit to Rhonda or the beautiful Alhambra in Granada.
